

COMMIT transparent

Our aim is to achieve much impact, as much as we can. So COMMIT appreciates any form of spin-off and spin-out, and other contacts with industry. At the same time we are aware we are being sponsored by Dutch tax payers money. So it is important to be *transparent*, to show we have nothing to hide and no one will have an unfair advantage due to COMMIT. Please record for all WPs in you project, who has personal interests in more than one partner in the work packages he or she is working in.

The data will be published on the COMMIT website.
